Small Explorers
Bright Adventures

Sustainability Fee breakdown.

The Sustainability Fee contributes to:

- Snacks (a variety of fruit, crackers, crumpets, toast)
- Supplies (cleaning products, wipes, tissues)
- Equipment (pencils, felt tips, glue, stickers, paper)
- Topic activities, Christmas gifts, cooking club, Footy Explorers, and more

These are not covered by the Government's "free" childcare funding, a fact explained during your initial tour and outlined in your Terms and Conditions when you enrolled at Small Explorers.

- **£15 per half term for families receiving 15 funded hours**
- **£30 per half term for families receiving 30 funded hours**
- **£10 per half term for families paying full fees**
- **£20 per month for stretch funding over 50 weeks.**

You also have the option to **opt out** of the Sustainability Fee. If you choose to do so, you will need to provide your child with their own snacks and fruit (in line with our healthy eating guidelines) and donate stationery, tissues, wipes, or cleaning products each term. Please note that opting out of the fee means your child will not be able to participate in the Cooking Club, as the cost of ingredients is not covered by Government funding.

In addition to the regular activities, we offer a variety of **optional extracurricular activities**:

- **Goldfish Visit**: Once a term, children can interact with animals at a cost of £3 per visit. You will be notified in advance of the date.
- **Dance with Miss Rachel**: Every Tuesday, £2 per week or £12 per term.
- **Footy Explorers and Cooking Club**: Cooking Club is supported by the Sustainability Fee. If you opt out of the fee, you will need to pay separately for your child to participate in these clubs.

Small Explorers
Bright Adventures

Sustainability Fee breakdown.

You may **opt out** of any extracurricular activities at any time or **opt back in** later if you wish. If you choose to opt back in, please email us and pay in full for the remainder of the term from the point you rejoin.

Families entitled to EYPP funding will not be required to contribute but are welcome to provide items from our list of needed supplies each term if they wish
